NOTICE

To New and Existing Customers:

Panatron has been in business since the early 70's. During this time we have collected a vast inventory of electronic, microwave and RF components and mechanical parts!

We have an extensive collection of new obsolete parts dating back as far as the 60's and 70's.

If you need obsolete parts, please contact us. If you want to review our parts list, you can find it at <http://www.panatron.com>. This list is constantly being updated. If you can't find the part that you are looking for, please call or email us.

Dear Future Customer:

As we move into our 29th year in business, Panatron, Inc. continues its quest for better product selection, lower prices, and improved efficiency in delivering our products to our customers. We have enlarged and improved our warehouse and shipping facilities and upgraded and improved our computer systems.

Our merchandise comes from a variety of sources all over the world. Frequently, we buy all the available inventory of a particular item. On these items, sales must be limited to stock on hand. Whether new, used, or surplus we strive to represent all merchandise as accurately as possible.

OUR GUARANTEE IS SIMPLE. If you are not happy with an item for any reason, return it to us in the original condition (within five (5) days of receipt) and we will either exchange it or give a full refund -- whichever you prefer.

- CONSOLIDATE PURCHASE ORDERS
- REDUCE BACK-ORDERS
- MINIMIZE YOUR INVENTORY NEEDS
- LOWER TRANSACTION COSTS
- INCREASE EFFICIENCY

If you have any questions, or if we can be of service in any way, please do not hesitate to call us at (800) 925-5216, seven days a week and 24 hours a day we are available to facilitate your needs. We also have a fax machine available for your convenience.

We look forward to hearing from you soon.

PANATRON, INC. is a state-of-the-art way for you to source electronic components from thousands of distributors, nation-wide, with a single phone call. Using a central computer with unique software capabilities, PANATRON wires a hard copy listing of your needs to over 1500 distributors, coast-to-coast. By accessing our electronic mail system, we can ensure that all distributors receive your inquires within 24 hours after you contact us.

Since PANATRON is able to access these distributors in a very short period of time, we can quickly check your parts against inventory in almost every warehouse location in the United States and Canada. Distributors report back to us by telephone and because we are a volume purchaser, turnaround time are usually very quick.

If you have the time, the stamina, and the money to locate and contact over 1500 supplies, it still wouldn't make sense when a single phone call to PANATRON can do it all for you. We are in business to give you a better way to do business.

If your parts are available in the United States, we will find them for you. If for any reason you are not satisfied, you can return them to us. At PANATRON, we stand behind our products with a 100 percent guarantee.

We are looking forward to doing business with you.
